Clearing

Hello Beautiful Beings of Light, especially here living in New Zealand, at this time. Of course New Zealand is just an aspect of our entire planet at this time but this is where we are focused, this is where we are on the ground.

This is Lani speaking to you and I just bring this forward to share a very powerful vision that has come to me –

So, close your eyes and immerse yourself in what I am speaking about. Think about it. Visualize it, if you are a person who sees things in that way.

Know what is happening and my experience is that coming forward from the pure essence of Creation that we are always bathed in, that is always surrounding us, that is deeply within our true vital essence and within the true vital essence of this beautiful planet that we exist on --- coming forth ,it was as if the energy matrix that is surrounding us formed a film which is similar to a magnetized film. You could see that in whatever manner you feel that to be. I see it as like a flowing liquid film like you see a film of oil on water - and this was overlaying firstly around New Zealand and within New Zealand and then expanded across the oceans and surrounding the entire planet and it is being gently and powerfully lifting up and clearing a layer that has been filtering through the energy matrix that we all breathe in.

This is what I'm seeing - that there is a massive clearance and this is drawing away the possibility and the potential and the experience that is currently affecting the planetoid, the Beings - all of those who were present on Earth at this time.

In a sense, this is what you came here to do on Earth currently, in this moment, to connect with that very high principle of life - the expanded dimensions and this activated energy matrix is available to draw away and clear away this energy pattern and this allows the pure light vital essence again to be restored within every one of us as we bring it in and emitted outward all around the planet.

I feel this around us, within us and through us. It is a time of the very powerful activation of this vital essence that you / we brought in through our body form deeply into us at this time.

Feel the clearness in you and through you and around you.

Feel the clearness all around the people and the planet.

Feel the higher energy field matrix of clear light all around us.

Thus it is done.

Thank you for being here. Thank you for participating in your true purpose as a Being of Light.
